

Currently the Grant County Sheriff's Office Website is undergoing some changes. The current jail roster will not be updated, as we are working on implementing a live link to the current inmates. This process has taken longer than expected, but we continue to work on it. If you have questions about whether someone is an inmate, you can call the Grant County Jail at (608)723-2157 and select the appropriate option.

Sheriff Nate Dreckman
